Dimensions: 1 x Silicone Applicator - 158 x 29 x 27mm
1 x Storage Case - 185 x 40 x 30mm

Colours: Lavender/Pea Green

Recommended Age: 0 month+

Product Description:

Applying your skincare products just got easier – and cleaner – than ever with the NoMess Dual-Ended Silicone Applicator! Suitable for the whole family, including barrier creams for baby, the dual brushes give you double the options to quickly and efficiently apply creams and lotions wherever they're needed. The ergonomic handle isn't just easy to hold – it also features adorable fin-shaped stands that allow you to rest the brush on flat surfaces without it rolling away or having the brush heads touch the ground, keeping things clean and hygienic. Choose between the soft or firm brush end, squeeze or scoop your lotion from the container, and apply where it's needed gently and effectively!
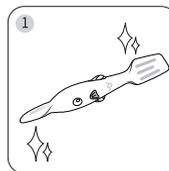

Features:

- The mess-free, time-saving and effective essential for your family's skincare routine.
- Dual brush heads to suit all application needs.
- Soft and flexible silicone smoothly & evenly applies skincare products.
- Hypoallergenic brush is soft & gentle on delicate skin.
- Features a softer head for lighter textures & a firmer head for thicker or sticky textures.
- Thin brush heads have wide surfaces to hold creams or lotions securely and reach tricky spots.
- Ergonomic handle for a comfortable grip.
- Adorable fish shape captures baby's attention.
- Fish fin stand at the bottom keeps the brush heads stable on flat surfaces to stay hygienic between uses.
- Multipurpose! Ideal for the entire family. Effective for creams & lotions for the whole body, including bottom barrier creams.
- Convenient travel case for use when out and about.
- Easy care – safe in dishwashers and boiling water.
- BPA, PVC and phthalate-free.

Cleaning and Care:

Clean before and after each use. Wipe clean with dry cloth or tissue. Although dishwasher safe, we recommend hand washing this product in warm, soapy water and rinsing and drying thoroughly. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Do not use bleach-based agents to clean this product. Store product in a cool, dry place and avoid direct sunlight.
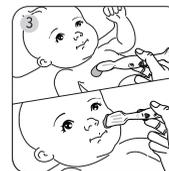

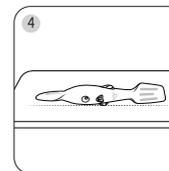

Instructions:

1. Ensure brush is clean and dry before use.

2. Squeeze the required amount of your chosen product onto the flat brush surface, or scoop contents using the brush head. You can apply a small amount initially and add more as needed.

3. Apply with gentle motions, taking care to cover the desired area. For precise areas, use the end of the brush for accurate application.

4. Use the fish fin shaped stand to keep brush resting on a flat surface without touching the brush heads between uses. Ensure brush is thoroughly washed and dried before storing.

PLEASE NOTE: When applying cream on a baby's bottom, especially if there's nappy rash, take care to apply gently to avoid irritation. Clean and sterilise the brush between uses to ensure hygiene.

Caution:

- Check product condition regularly. Replace if this product shows any signs of damage.
- Do not store near any sharp objects.
- This product is not a toy. Do not use this product for anything other than its intended purpose.
- Always use this product with adult supervision.
- Keep out of reach of children and pets when not in use.
- For external use only.
- Discontinue use of any skincare products if irritation, redness or discomfort occurs. Consult a healthcare professional if symptoms persist.
- Avoid direct contact with the eyes while using the brush. If contact occurs, wash eyes with clean water and seek medical advice.
- Do not use on broken skin or open wounds, as this may cause discomfort or infection.
- Always clean and sterilise brush before using on someone else, especially if skin issues are present.
- Always ensure brush is dried thoroughly before storing.
